# Want To Become A Gender Expert?

For Beginners  
Gender mainstreaming in policy, programmes and projects

The training programme is organised by **OQ Consulting BV** in cooperation with the **Global Academy of Caring Economics**. Participants will receive a certificate upon completion of the training

## Objective

This is an intensive training. It aims to lift your knowledge and skills to put gender mainstreaming in practice.

Upon completion of this training:

- ✓ You will understand the basic and deeper significance of a gender-sensitive approach
- ✓ You will know the legal and policy frameworks to promote gender equality
- ✓ You will have updated information about gender debates worldwide
- ✓ You will be able to have a meaningful political and policy dialogue about gender issues
- ✓ You will have the skills to use gender tools and strategies in projects and programmes
- ✓ You will be knowledgeable about 'Caring Economics'

## Target audience

This training is developed for civil servants, consultants and staff of institutions, organisations and companies involved in designing and implementing policies, programmes and projects.
